SANTA ANA, CALIFORNIA, MONDAY EVENING, APRIL 21, 1913.

50 CENTS PER MONTH

LEGISLATURE RACES WITH TIME

Red Light Bill Only One of Leading Bills Out of Way; Many Important Bills Yet

ANTI-ALIEN BILL WAITS; SENATORS TO STUDY IT

State Control of Public Utilities Measure Languishes in Hands of Committee

SACRAMENTO, April 21.—The legislature today started in a race with time to complete the enormous amount of work yet unfinished with but two weeks before the scheduled adjournment. The red light measure is the only important legislation thus far passed. The workmen's compensation, conservation, blue sky, weights and measures, immigration, minimum wage, and civil service bills are still awaiting action with a strenuous fight expected on several of these.

Senator Kehoe announced that he is drafting a bill to compel all lobbyists at Sacramento to register, stating the bills they favor or oppose and by whom employed.

The opposition which developed to the Johnstone bill providing for the removal of the Whittier reform school to another site and the appointment of a commission to sell the present property, caused Assemblyman Ellis today to defer action. Ellis is handling the bill in Johnstone's absence. Hagby of Santa Barbara declared the commission was given too much power and asserted a minimum for which the property should be sold should be fixed. The bill provided for a quarter of a million dollars of the money realized on the contemplated sale of the present property to go toward the construction of a new building and that an additional \$200,000 be appropriated.

The Senate unanimously passed the Henkle bill providing for a \$200,000 appropriation for a government building at the San Francisco exposition. The bill only lacks the governor's signature.

Without a dissenting vote the Senate passed Tyrrell's bill providing for a standard of weights and measures, and the appointment of a state superintendent of weights and measures.

By a vote of 54 to 5 the Assembly passed the Sutherland proposed constitutional amendment giving the railroad commission power to fix compensation to be paid for any public service corporation or utility taken over by corporations under eminent domain. The proceedings amendment was introduced at the request of the city attorney's office of San Francisco, and is designed to apply to the condemnation of the Spring Valley Water Company in the event of its acquisition through this means by San Francisco.

ANTI-ALIEN LEGISLATION PUT OFF—SENATORS ARE SHAKY ON DETAILS

SACRAMENTO, April 21.—The general unfamiliarity of the members of the upper house of the state legislature with the details by which the anti-alien legislation may be expected to be worked out along the lines defined in the pending bills was given today as a reason for anticipated further delay in getting to final action. While the majority of the senate remain unshaken on the determination to enact an anti-alien law despite the international aspect late developments are producing, many are confusedly uncertain as to specific detail. On this ground it seemed certain today that final action will not be taken until late in the week. It is equally certain that pending amendments to the committee sub-measure will be further modified and new amendments offered when the bill comes up.

STATE CONTROL OF PUBLIC UTILITIES AMENDMENT LANGUISHES

SACRAMENTO, April 21.—Assemblymen leading the fight for the Sutherland constitutional amendment providing for state control of public utilities instead of municipal control expressed a doubt today whether the amendment will be reported out by the senate judiciary committee in time for action at the present session. The amendment has been in the hands of the committee for several weeks. The committee members declare it has not been discussed or any plans made for its consideration.

Belgians Sail For United States
ANTWERP, April 21.—The steamer Lapland was able to sail from this port yesterday, according to schedule, carrying 2465 passengers. Emigration to the United States from Belgium shows a remarkable increase. Many strikers are sending their families to France.

Aquitania the Largest Ship on Seas, Launched

GLASGOW, April 21.—The Cunard liner Aquitania, the largest ship afloat, was launched today. It was christened by the Countess Sherry. The liner measures nine hundred feet over all, has a displacement of fifty thousand tons, and accommodates four thousand passengers. It has a crew of eleven hundred men and carries a score of lifeboats and two motor launches.

Bulletins of News

Hot from the wire up to 3:30 p. m.

THE WEATHER

Fair tonight and Tuesday; light northeast winds.

Men and Women Seek Denver Commissionerships

DENVER, April 21.—The campaign for the city commissionerships under the commission form of government began in earnest today—the last day under the law when candidates may file their petitions. Nearly 200 men and women have declared their candidacies for the six positions—five commissionerships and one auditorship—to be filled at the city election on May 20. Party designations are barred from the ballots.

Today History-Making For North Carolina

RALEIGH, N. C., April 21.—Today is history-making day for North Carolina. Upon a call from Governor Craig the legislative committee of eighteen met here today for organization into a commission which will consider all bills introduced in the legislature for amending the state constitution. A secretary is to be elected today and the committee had hoped to get down to the work of hearing any citizen or interest for suggestions this afternoon.

Denver School Children To Advertise Colorado By Letter

DENVER, April 21.—Denver's public schools today inaugurated a unique system of advertising Colorado. Today has been officially designated "Letter Day." Members of the Chamber of Commerce, in addresses to pupils, furnished data on the resources and scenic beauty of the state which will be later incorporated in 30,000 letters to be mailed to every section of the United States.

Washington, D. C., Pastor "Goes West" to St. Louis

WASHINGTON, D. C., April 21.—Dr. Samuel H. Woodrow, for many years pastor of the First Congregational church and president of its Missionary Society, today left for St. Louis, where he will assume the pastorate of the Pilgrim Congregational church.

Cabinet Officers to Aid in Celebrating Texas Freedom

WASHINGTON, April 21.—Postmaster General Burleson and Secretary of Agriculture Houston, both of whom are native Texans, are expected to join with the Texas Society of Washington tonight in celebration of San Jacinto Day—the day on which Texas was freed from Mexican rule by the decisive defeat of Santa Anna.

Surprise Birthday Party for Iowa Congressman

WASHINGTON, April 21.—Representative Gilbert N. Haugen of Iowa, today was accorded an informal reception in his own office in honor of his fifty-fourth birthday. The affair had been planned as a surprise for the Iowan.

Nancy Leshman's Engagement To Duke of Croix Is Confirmed

BERLIN, April 21.—A local news bureau announces today that it is able to confirm the engagement of Nancy Leshman, daughter of the American ambassador, to the Duke of Croix.

Cat Was Guest at London Picture Ball

LONDON, April 21.—Among those attending the opening of the new west-end picture ball in Coventry street yesterday was a woman carrying a large black cat resplendent in crimson bows. A stall had been reserved for pussy, and, judging from his exemplary behavior, the performance met with his approval.

Gov. Colquitt Vetoes Illiteracy Suffrage Bill

AUSTIN, Tex., April 21.—Governor Colquitt late last night vetoed the bill recently passed by the legislature making illiteracy a suffrage disqualification. He also vetoed the Terrell state highway commission bill on the ground that it is unconstitutional.

MORGAN'S WILL IS NOW IN NEW YORK PROBATE COURT

NEW YORK, April 21.—J. P. Morgan's will was filed for probate in the Surrogate court today. J. P. Morgan and his sisters waived citation. The oaths of the executors had already been filed. The petition fails to state the value of the estate, merely declaring it "exceeds \$10,000." J. P. Morgan, Junior, refused to make any comment.

ICE-PUNCTURED STEAMER SINKS

Goes Down in Icy Waters of Lake Michigan—Crew of 22 Are All Rescued

MISSISSIPPI FLOODS MAKE 10,000 HOMELESS

220,000 Acres of Best Land Along River Inundated as Two Levees Give Way

MILWAUKEE, Wis., April 21.—The steamer Uganda, the first to leave Chicago this year, was sunk today in northern Lake Michigan. The ship's hull was punctured by ice, but the crew of twenty-two was saved.

10,000 HOMELESS; 220,000 ACRES LAND UNDER FLOOD WATERS

MEMPHIS, April 21.—Ten thousand persons are homeless today and 220,000 acres of the best land along the Mississippi river are under water but no lives have been reported lost.

The levees at Adams, Ark., and at Ward's Lake, Miss., broke today and the waters rushed over the lowlands, driving all the residents in both sections from their homes.

Two thousand plantations were inundated and thousands of head of stock and hundreds of dollars worth of farm implements were abandoned to the waters.

The Mississippi and the Arkansas national guards have been ordered to rush to the flood scene and give such assistance and protection as they can until the federal relief corps can take charge of the work.

Reports from other places along the Mississippi are that levees are so undermined and weakened that they may go out at any time and endanger sections larger and more thickly populated than those at Adams and Ward's Lake.

WILSON STANDS BY TARIFF PROGRAM

Will See It Through to the End; Appoints Strong Governor of Alaska

WASHINGTON, April 21.—During his weekly interview with newspaper men, President Wilson said he had received no further official word from the California Japanese legislation situation, but believes Gov. Johnson and the legislature realize the gravity of the situation and will see there is no discrimination.

The President is pleased because Secretary Bryan's note has been so well received in Japan. He denied that there has been a hitch in the plan to recognize China.

The progress of the tariff bill is satisfactory, the President said. He is confident it will meet no hitch in the house or senate, and intends to back the free sugar and wool propositions to the end.

STRONG NOMINATED AS GOVERNOR OF ALASKA

WASHINGTON, April 21.—President Wilson has nominated J. E. A. Strong as governor of Alaska.

POPE DECLARED TO BE CONVALESCENT

ROME, April 21.—Pope Pius' physicians, regarding the Pontiff as safely convalescent, failed to issue a bulletin today for the first time since his last relapse. The distinguished patient slept naturally until 4 o'clock when he insisted on being propped up, declaring that he could not breathe lying down.

The Pope's brother, Angelo Sarto, again visited him today. The Pope sat up and conversed easily. Sarto afterward said the Pontiff was so emaciated and changed he could hardly recognize him.

Cardinal Rampolla yesterday, by the Pope's order, celebrated the pontifical mass in commemoration of the Constantine jubilee.

AUTO BANDITS EXECUTED

PARIS, April 21.—Soudy, Callemien, Money, three automobile bandits, were guillotined at three-minute intervals at 4:30 o'clock this morning. The men were executed prematurely on the boulevard Arago to prevent a demonstration.

"It is cold; good bye, friends," shouted Soudy as the knife fell.

SERIES OF TRAGEDIES ADDED TO BY SUICIDE AND TWO DEATHS BENEATH AN AUTO AND TRAIN

MAN KILLED ON FULLERTON GRADE

Robert Sepulveda Has Neck Broken When Hit by Companion's Machine

VICTIM DIED IN DR. LOERCH'S ARMS

Accident Follows Day Spent at a Barbecue at Bastanchury Ranch

Robert R. Sepulveda of Los Angeles was killed yesterday on a grade north of Fullerton when an automobile driven by L. C. Ross of Ventura struck him. Sepulveda had left the automobile in which he and three others had been riding and walked down the grade a short distance. Ross was driving the car down the grade when Sepulveda ran in front of the machine and was struck. Sepulveda's neck and one leg was broken.

Sepulveda was a member of the well known Sepulveda family of Spanish descent, prominent in Los Angeles and San Pedro. He was 22 years of age, son of Alexander Sepulveda, whose whereabouts are unknown, he having separated from his family. His mother and sister, living at 342 South Fremont street, Los Angeles, were confined to sick beds yesterday. The mother was not informed last night that her son had been killed, her relatives fearing that the news might cause her death from a collapse.

Immediately after the accident yesterday, Dr. Clark of Fullerton was called, but Sepulveda was dead before he could arrive. The remains were moved to Seale's undertaking establishment at Fullerton and Coroner Winbiger was informed of the tragedy. The coroner went to Fullerton this morning for the inquest.

The tragedy followed a day spent at a barbecue at the Bastanchury ranch. Burnel, Sepulveda, Ross and Miss Margaret Lyons of Los Angeles were riding from the ranch to Fullerton. The machine stopped at the top of the grade. Burnel and Sepulveda got out to walk down. When they had gone a few rods they called, and Ross started the machine. Sepulveda jumped out and held up his hands for the machine to stop, but the speed was too great, and Sepulveda was run over.

Dr. K. A. Loerch of Santa Ana, who with his family had been in Los Angeles, was driving down the hill 100 yards or more back of Burnel. He heard a crash. The next he saw was the body of a man in the road. Dr. Loerch stopped his machine and ran to the man, who was face down, and Sepulveda died in his arms.

Ross came running back, saying: "Save him," and "I couldn't stop my machine."

A few minutes later Dr. Clark and Dr. Bryan arrived from Fullerton.

D. A. R. LEADERS DE-CLARE PEACE AFTER FIVE YEARS CONFLICT

WASHINGTON, April 21.—Not to be outdone in the merry game of peace-making by such tyros as Champ Clark and William J. Bryan, who have been enemies only about nine months, Mrs. William Cummings Story, the newly-elected president-general of the D.A.R., and Mrs. Matthew T. Scott, it was announced yesterday, have buried the hatchet, thus ending a warfare of more than five years.

2000 MOROS RAISE JOLO SIEGE

WASHINGTON, April 21.—The siege of Jolo in the Philippines has been abandoned by 2000 Moros, leaving the American garrison safe, according to dispatches to the war department.

LOS ANGELES CLAIMS 500,000 POPULATION

LOS ANGELES, April 21.—That this city has reached the 500,000 population mark is the claim of the statistical department of the Chamber of Commerce and other investigators along the line of population.

The 1910 census gave the population as 320,000, and the city's rapid growth since then, particularly in the last few months, has pushed the mark along to the half million point.

TRAIN WHEELS GROUND HIM TO DEATH

Juan Carizosa of El Toro Killed at Irvine Station Last Night

REMAINS PICKED UP IN DOZEN PIECES

Man Had Been Drinking and Supposed He Laid Down on Track

RIG WENT OVER THE CANYON GRADE

Man Has Broken Jaw and Woman Taken Out Unconscious From Blow on Head

Two Mexicans, a man and a woman, in a buggy went off a grade in the Santa Ana canyon. The man had his jaw broken, and the woman's skull was apparently broken by a blow on the forehead. The buggy caught on some rocks on the edge of the Santa Ana river. Otherwise both would have been drowned.

The accident occurred about 100 yards this side of the county line. The couple were on their road from Carpinteria to Mexico, and a Mexican interpreter who talked to the man after the accident said that he said they had been drinking. They had a calf in the back of the buggy.

Charles Romer and a party of other automobilists from Santa Ana had stopped at the county line, which is a mile and a half below Prado, when they were called by two women from another automobile, which with a punctured tire had stopped on the grade. The women said a buggy had gone off the grade.

The buggy was found upside-down thirty-five feet down the embankment. The man and woman were taken out, then the horse was cut loose. He went up the river bottom on the run. Then someone lifted the rear of the buggy, and the calf, hitherto unnoticed, scrambled out unharmed.

The injured people were put in an automobile and taken either to Rincon or Corona. The Santa Anans who helped get them out of the wreck did not learn their names.

GOVERNMENT WOULD INTERVENE IN ALL OF BIG RATE CASES

WASHINGTON, April 21.—The federal government today sought permission from the federal supreme court to intervene as "a friend of the court" in the Minnesota and other rate cases. The department of justice filed a brief decrying the right of the states to interfere with interstate commerce by issuing intra-state rates.

Chief Justice White granted the government's application to intervene in the Minnesota rate cases. The government brief supports Judge Sanborn's decision that Minnesota's two-cent fare law is invalid.

COURT ADJOURNED WITHOUT DISCUSSING RATE CASE

The supreme court adjourned without discussing the Minnesota rate case and other prominent cases pending.

CASSIDY MAY RECOVER

SACRAMENTO, April 21.—State Senator Cassidy, suffering from a brain affection, passed a comfortable night, according to his physicians, who now entertain hopes of his recovery.

TRAIN WHEELS GROUND HIM TO DEATH

Juan Carizosa of El Toro Killed at Irvine Station Last Night

REMAINS PICKED UP IN DOZEN PIECES

Man Had Been Drinking and Supposed He Laid Down on Track

John Carizosa, aged 34, of El Toro, was ground to death beneath the wheels of a freight train at Irvine station last night about 12:20 o'clock. This morning his remains were found scattered along the tracks, cut into a dozen or more pieces by the wheels of the train.

Carizosa is known to have been drinking yesterday afternoon and evening. He got off the train at Irvine, possibly by mistake. It is thought that he laid down on the track or stumbled in front of the engine. It was not known that an accident had occurred until the train reached San Bernardino when blood was found on the engine.

Early this morning Philip Ahren, the section foreman, found Carizosa's remains. Deputy Coroner Mills states that he has never known a case where mutilation has been more frightful.

Carizosa has a wife and children living at El Toro. The remains were brought here. An inquest will be held probably tomorrow.

KAISER'S DAUGHTER TO WED CUMBERLAND

European Royalty to Be Present; Ex-King Manuel to Marry Into Imperial Family

BERLIN, April 21.—The preparations now being made for the wedding of the Kaiser's daughter to Prince Ernest of Cumberland, promise to be one of the most brilliant ceremonies ever seen in Europe. The galaxy of royalty which will be present will include the Kaiser, Kaiserin, King George and Queen Mary of England, the Czar of Russia, the King and Queen of Italy, Archduke Franz Ferdinand of Austria, the King of Denmark and probably the kings of Roumania and Norway, besides the kings and princes of the German empire.

The estimated value of the presents which the bridal couple will receive is placed at \$2,500,000. The Kaiser's gifts will be several articles of jewelry of his own design, while scores of gifts will come from the royal families of Europe and various German cities have voted a total of \$50,000 for wedding gifts.

NOISELESS WORLD IS COMING SOON SAYS OTOLOGIST

CAMBRIDGE, Mass., April 21.—Harvard's well-known otologist, Dr. Clarence J. Blake, has placed himself on record as predicting a noiseless world in the near future.

"The welfare work now being carried on, both indoors and out of doors," he said, "will in time be the greatest factor in bringing about a noiseless world. This age will not be a soundless one, but will be practically a noiseless one."

FROM PRISON TO PEERAGE

Convict Fred Grey Leaves Kansas Pen To Become Lord Frederick Grey of England

LEAVENWORTH, Kan., April 21.—A telegram was received yesterday at the federal prison announcing that convict Fred Grey, by the death of an elder brother in England, would succeed to the title and a large estate. He will become Lord Frederick Grey and will leave for England to assume his honors on his release from the federal prison, June 16.

WHITE SLAVE TRAFFIC IS ALLEGED

Arrests In Los Angeles Lead to Revelations Involving Prominent Men

FORTY MINOR GIRLS ARE QUIZZED BY DETECTIVES

Blackmail Alleged — 'Frisco Grand Jury Probing Graft Charge of "Gang" Head

LOS ANGELES, April 21.—A score of police detectives are investigating information which they believe may result in connecting several prominent persons with the alleged white slave ring, said to exist here. In addition to taking the testimony of forty minor girls, the police are holding several persons for examination. It is reported late today that a warrant will be issued by a prominent millionaire. The police brought a girl named Irene Marie Brown from San Bernardino to be questioned today.

Police activity results from recent investigations of the white slavery charge in this city which brought to light not only revelations in the vile traffic but evidences of blackmailing schemes in connection with it.

Chief Sebastian has asked the district attorney's office to inaugurate a grand jury investigation. Startling revelations are alleged to have been made in connection with the arrest of Mrs. Josie Rosenberg, alias Goodman, on the charge of enticing young girls into lives of shame.

Prominent men in Los Angeles are said to be involved in the case of Mrs. Kittle Phillips, arrested recently on a charge of blackmailing. Mrs. Elizabeth Lacey of West Santa Barbara street, whose daughter, Irene Marie Brown Lacey, is said to have been trapped into an evil life, incriminates two prominent men as being "white slaves."

E. J. Davis and Mrs. C. B. Badger are held in addition to Mrs. Rosenberg. Many witnesses have been subpoenaed. Geo. H. Bixby, a Long Beach millionaire, formerly on the good roads commission, is mentioned as one of the witnesses subpoenaed in connection with the blackmailing scheme.

POLICE GRAFT CHARGED IN FRISCO BY SWINDLE GANG HEAD

SAN FRANCISCO, April 21.—Following alleged charges by Maurice de Martini, a member of the notorious de Pietro swindling gang, which secured \$100,000 here, that Police Commissioner Eugene Wall and Detective Sergeant Arthur McPhee and Patrolmen took "protection money" from the gang, a grand jury investigation of the department is ordered.

It is stated that de Martini made his confession to a party of disinterested citizens selected by Superior Judges Cabanis and Dunne asserting that the police extorted 15 per cent of the profits of the bunco ring for permitting it to continue operations. The accused officers declare the statement is made in retaliation for their unby the Southern Counties Gas company. Chief of Police White denied having any knowledge of the alleged confession.

OTAY WATER CO. HAS APPEALED RULING OF R. R. COMMISSION

SAN DIEGO, April 21.—The first appeal from any decision of the state railroad commission was filed today with the supreme court at San Francisco by Attorneys for the Otay Water League, a ranchers' organization in San Diego county, which seeks to compel the Southern California Water Company recently taken over by the city of San Diego, to furnish water for irrigation. The commission denied a recent appeal by the ranchers and denied a rehearing of the case. Today's application asks for a complete record of the case, and asks the fixing of a valuation on the company's property and the establishment of rates for irrigation and domestic purposes. Rate discrimination is alleged.

5,332,000 PEOPLE IN NEW YORK

NEW YORK, April 21.—The population of New York City is 5,332,000 persons, according to the latest figures compiled by the New York City Health Department. The official census of 1910 recorded a population of 4,766,883.

MULEFOOT HOGS ARE PROVING WINNERS

Former Santa Ana Engaging
In Industry at Holtville
With Success

HOLTVILLE, April 21.—A few days ago H. A. Terwilliger, formerly of Santa Ana, brought into town his second lot of fat hogs—105 head, averaging 191 pounds each. Terwilliger is farming the L. R. Strang ranch, three miles northeast of Holtville. He has the largest herd of mulefoot hogs on the Pacific coast, which he brought to the valley last December.

An interesting experiment was made with this last lot of hogs. Eighty head of ordinary hogs, Poland China and Berkshires, were put in the fattening pen on February 7. They were fed a balanced ration of butter-milk, ground milo maize and green alfalfa. On March 5 twenty-five head of mulefoot hogs were put in the same fattening pen. The Poland Chinas and Berkshires were fed on fattening rations for two months and one day, and the mulefoot hogs, on the same feed, in the same pen and under exactly the same conditions, were fed one month and three days. The hogs were all turned off at \$9.60 per hundred—half a cent above the market.

Several ranchers who looked over this bunch of hogs in the stock yards expressed the opinion that no better lot of hogs had ever been shipped out of Holtville. A distinct difference in the two classes of hogs was, however, very apparent. Though the mulefoots had been on fattening rations only a little more than half as long as the others, every one of them could be readily distinguished by its size and condition. Without exception every mulefoot hog was fatter and in better condition than the others.

Terwilliger states the opinion that his breed of hogs is the best adapted of any to imperial valley conditions. The peculiar construction of the hoof gives them an advantage in pasturing alfalfa, since they do not cut the ground so badly as do other breeds. Their disease resistant characteristics and quick fattening qualities are, he claims, their greatest advantages. Mr. Terwilliger has 150 head of these hogs in addition to several litters of young pigs. None of them are for sale. The only ones that go into his fattening pen are the ones that are not desirable for breeding purposes.

Get It Done Right

Why? Simply because it pays. Every auto man knows that cheap repairing is the most expensive in the end. Get It Done Right is

The Only Way

also the best and least expensive way in the long run. Our regular customers know that we do repairing right—that is why they come back to us themselves and recommend us to their friends. All work guaranteed.

CONGDON MOTOR CAR COMPANY.

COTTAGE PRAYER MEETINGS TO BE HELD TOMORROW NIGHT

Santa Ana Churches are Preparing for
Union Evangelistic Meetings That Will
Open on Monday, May 12

Arrangements are rapidly progressing for the big union evangelistic meetings to be held in Santa Ana under the leadership of Dr. J. Whitcomb Brounger, pastor of the Temple Baptist church of Los Angeles. The meetings will open on Monday, May 12, and will be held in an immense tent, the location of which will be decided tonight at a meeting of the executive committee of which Rev. J. A. Stevenson, pastor of the First Presbyterian church, is chairman, and F. L. Andrews is secretary.

Preparatory to the opening of the union evangelistic meetings, cottage prayer meetings will be held at the homes of members of the various churches represented under the auspices of which the union meetings are to be held.

Rev. D. Scarborough, pastor of Spurgeon Memorial M. E. church, South, announces the following arrangements and suggestions for the prayer meetings:

Cottage Prayer Meetings
The devotional committee has selected the following places and leaders for cottage prayer meetings next Tuesday evening the 22nd inst., at 7:30 o'clock. If for any reason it should be impracticable to hold a service in any one of these homes, let the family and the leader appointed for that meeting arrange for a service in some other home in that vicinity.

Please note these suggestions:
(1) Let the congregation at each meeting select a home in which to hold the prayer meeting on the following Tuesday evening, and let the leader appoint a leader for the next service in that community.

(2) Let every one interested start additional prayer meetings, for we wish to reach as many people as possible through these services.

(3) The pastors and committee-men of the churches participating in this revival campaign hope to have the hearty co-operation of all Christian people in Santa Ana in our plans and efforts to bring about a great revival in our city. Let every one help. Each leader is free to select his own topic and scripture lesson.

Places and Leaders, Tuesday Evening, April 22
Mrs. A. A. Jones, 1491 Bush street.
B. F. Beswick, leader.
T. M. Purdom, 1516 North Broadway.

EGG-LAYING RECORD IS BROKEN FOR SIZE BUT NOT IN WEIGHT

The egg-laying record has been broken, in size but not in weight.

A hen belonging to W. L. Bowland held the record by producing an egg measuring 6 3/4 by 8 1/2 inches, and weighing 4 ounces.

Now comes Mr. J. F. Donovan of Orange with an egg produced by a Black Minorca hen which breaks the record for size only, it measuring 6 3/4 by 8 1/2 inches, but weighs only 4 ounces. Well done, today, try again!

BOGGS' BODY WILL GO TO OKLAHOMA

HUNTINGTON BEACH, April 21.—The body of Dick Boggs, killed in the plunge of his automobile into the Santa Ana river at Newport Beach last Friday morning, will be sent to relatives in Oklahoma this evening by express. Several friends of Boggs from Oxnard reached here yesterday to assist in preparations for shipment.

HYOMEI INHALER FOR CATARRH?

IF YOU OWN ONE
Then you ought to know that druggists everywhere will hand you a bottle of Booth's HYOMEI for only 50 cents. Pour a few drops of HYOMEI into the inhaler and start this very day to breathe the healing Balmic vapor and destroy the Catarrh germs. With every package of Booth's HYOMEI comes a little booklet which explains how easy it is to end the misery of Catarrh and Croup. It is made of Australian Eucalyptus and contains no harmful drug.

But best of all Rowley Drug Co. is authorized to refund your money if you are dissatisfied. If you haven't the HYOMEI inhaler ask for the complete outfit, \$1.00. Just breathe it—no stomach dosing.

Pains in the Stomach

If you continually complain of pains in the stomach, your liver or your kidneys are out of order. Neglect may lead to dropsy, kidney trouble, diabetes or Bright's disease. Thousands recommend Electric Bitters as the very best stomach and kidney medicine made. H. T. Alston, of Raleigh, N. C., who suffered with pain in the stomach and back, writes: "My kidneys were deranged and my liver did not work right. I suffered much, but Electric Bitters was recommended and I improved from the first dose. I now feel like a new man." It will improve you, too. Only 50c and \$1.00. Recommended by all druggists.—Advertisement.

REMOVAL NOTICE

MEDITERRANEAN TO BE CRUISED BY U.S. NAVY

Secretary of Navy Daniels
Plans Glorious 3 Months' Trip
For U. S. Blue Jackets

WASHINGTON, April 21.—A three months' cruise for the Atlantic fleet in the Mediterranean next winter has been promised by the Secretary of the Navy, who is planning the greatest naval demonstration in the history of the American navy.

Secretary Daniels said that the proposed cruise is in furtherance of his policy in making the United States navy in times of peace a great educational school where thousands of young men can receive thorough technical knowledge and at the same time enjoy the advantages of first-hand knowledge of the principal countries of the world.

Our Greatest Fleet
In point of total tonnage and strength of armament, the fleet to go to the Mediterranean will be much greater than that of the fleet which went around the world in 1907. Present plans are to send the Wyoming, Florida, Arkansas, Delaware, North Dakota, Utah, Vermont, Louisiana, Michigan, New Hampshire, South Carolina, Virginia, Georgia, Nebraska, New Jersey, Rhode Island, Minnesota, Connecticut, Idaho and Kansas on the trip, which will begin January 1. Comparing these battleships with the fleet which went around the world, they aggregate a tonnage of 364,500 as against 223,500, while their muzzle energy is 9,550,000 foot pounds as against the 5,300,000 foot pounds of the 1907 fleet.

Divide at Gibraltar
The tentative plans are for the fleet to leave for Gibraltar January 1. It will be divided at Gibraltar and make a leisure tour of the Mediterranean, stopping at practically all the important ports. It will be some time before the itinerary is completed.

Explaining the object of the cruise, Secretary Daniels said yesterday: "I have decided to send the Atlantic squadron on a winter cruise covering the most interesting ports of the world, because I believe we should offer to the enlisted men every opportunity which lies in our power to obtain that knowledge of countries from personal observation which in every rank of life gives to the traveling man an advantage over those who have spent their lives at home in the upward struggle. The cruise this winter will be so timed as to give every man in the fleet shore leave in every port of interest."

OWN A FARM IN TULARE COUNTY

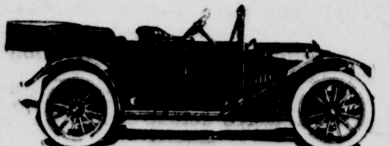

Pay in cash (\$700 to \$1000 on 20 acres)—balance in 1913. Diversified crops are the farmer's safeguard. Yields of \$100 to \$200 an acre are realized from oranges, olives, peaches, figs, seedless grapes, melons, berries, Turkish tobacco, alfalfa, etc., etc.

The Orsi district is safe for oranges. The navel crop is shipped by December 15th. Our illustrated folder with map may mean much to you. Send for it.

Factory Sale of High Grade Pianos and Player Pianos

"In Your Home Town by a Home Merchant"

During six years of continuous business in Santa Ana Shafer's Music House has never held a single special of pianos or player pianos. We have made arrangements with our factory which enable us to quote prices on pianos and player pianos, lower than we have ever been able to do before. These prices will hold good for the next ten days.

We have some used pianos in stock that are big values.

Think of it! An upright piano at\$78.00

A good upright piano at only\$117.00

Another upright piano, a splendid value, at ...\$165.00

Prices on all instruments are plainly marked. Come in and judge for yourselves. Bring your friends. Sale starts at once and continues until May 1st.

We will give one term of 12 music lessons, by one of the most competent instructors in the city, with each new piano sold during this sale.

Pennsylvania Man Jumped Off
End of Pier at Sunset Beach
Saturday Night

Dispatches From Harrisburg
Indicate He Was Short In
Funds When He Left

Financial troubles are believed to have been the reason George A. E. Row of Taxtang, Pa., drowned himself at Sunset Beach Saturday night. His body floated ashore yesterday morning. Dispatches from Harrisburg, Pa., indicate that Row disappeared about a month ago, and it is believed he was short in his funds with the poor farm board, with which he was connected. There was 15 cents only found in his clothing.

Row was seen about Sunset Beach Saturday night as late as 11 o'clock. Two or three fishermen are reported to have said that Row talked to them in a friendly way.

Yesterday morning Row's outer clothing and photographs in it were found at the end of the pier.

In his clothing was found a poem entitled "The Moneyless Man," supposed to have been written by Row. The body was found about 6 o'clock by Elliott L. Perkins, a Los Angeles attorney, who was there to fish. The outgoing tide left the body fully exposed.

In the dead man's clothing were found papers showing that he was a member of the Masons, Odd Fellows, Modern Woodmen and Moose orders at Harrisburg, Pa., and chairman of the Republican club of that city. He also left a note to his wife, addressed to Taxtang, Pa., in which he wrote:

"Dear Margie: I can stand it no longer. I am going wild. This is not your fault."

Another note, not addressed, read: "Bury me in the sand; don't send my body East."

The man was about 50 years old. He left two well-filled valises of clothing. He was seen at Sunset Beach about 10 o'clock Saturday night, having apparently just arrived. It is supposed from the condition of the body that he jumped from the pier shortly after midnight. The master of the Masonic lodge here wired to Row's wife in Pennsylvania and to his Masonic lodge, of which the name was stated in the man's notebook, as were the names of all the other lodges of which he was apparently a member. The body will be held here until instructions for its disposal are received from the East. A coroner's jury yesterday afternoon rendered a verdict of suicide.

This is a late photograph of the chief of the Santa Ana water wagon, as he will appear in his new role of the sporty chicken stealing preacher, when he will marry Joe Burke as Sandy Watermill and Fred Ross as Mandy Slipup, in the first part finale of the Elks Big Minstrels at the Grand Opera House May 1 and 2. The seat reservation will open at Rowley's Drug store Saturday morning at 9 o'clock. Paste the time in your hat so you will be there to get good seats. They are going to go fast when the sale starts.

CARRYING THREE PASSENGERS GLENN MARTIN TAKES RECORD

Glenn L. Martin, the aviator, set a new American record at Balboa yesterday when he went into the air in a new machine with three passengers, making the biplane carry four persons. Martin will ask the Aero Club of America to recognize the record, and affidavits concerning the flight will be made for the purpose of submitting the evidence to the eastern board.

Paul Shoup, president of the Pacific Electric, took a flight yesterday at Balboa. Shoup was in the air about twenty minutes. Martin took him on a ride that showed him all the surrounding country and sea to perfection.

The ride was in the same machine that was used for carrying three passengers. The machine was built at the Martin factory in Los Angeles for a firm of lumbermen and transportation men of Coos Bay. The firm has had a mechanic in Martin's

diocese of Los Angeles, administered the rite of confirmation to a class of five and also preached an eloquent sermon. During the course of his sermon he emphasized the fact that all were brothers and sisters banded together for the purpose of advancing the cause of God on earth, and that to do this perfectly there must be co-operation among the church members. He said all must look to the great future, which overshadows all the past.

"Search yourself," said he, "and then ask yourself, 'Am I improving in the sight of God?' See yourself as God sees you."

"There are scores of people who are content to be just as good as other people. Don't be just as good, but try to be better than other people."

Rev. Johnson described a picture which he saw in a Belgian art gallery, a copy of which hangs in his study. The picture is of a giant representing the great future, holding in one hand money, crowns, jewels, thrones and other things which men crave, strive for, and sometimes die for. These in the picture were very small in contrast to the stature of the giant, and they represented the infinitesimal past. Looking at the riches over the shoulder of the giant were two smiling angels, representing heaven's view.

"Whenever I have some extraordinary problem or difficult situation to face and am inclined to worry, I go and look at the picture and all my uneasiness vanishes and I look to the future with renewed spirit."

TWO ORANGE GIRLS WINNERS OF HONORS AT THE UNIVERSITY

Among the twelve women who, with twelve men, members of the senior class of Stanford university, have been elected to Phi Beta Kappa, the national scholarship fraternity, is Miss Sydney Gardner, sister of H. H. Gardner of 214 Twentieth street, Santa Ana, and a graduate of Orange Union High School. The others whose scholarship averages have been the highest during the four year course are: Ruth Crelin, Anne Brooks, Dorothy Culp, Pauline Current, Frances Gover, Ruby Becker, Marian Judah, Jennie Kilpatrick, Ethel Libis, Eva Weaver, Hettie Withey, and Karl Green, Edwin Harding, George Hartwig, Olaf Jenkins, George Lawrence, Lindley Murray, Sho Oshima, Zeno Osterberg, Edgar Smith, Guy Swan, Thomas Martin and Wilford Talbot.

Miss Ellen Everett of Orange has been extended one of the highest honors conferred upon a college girl at the university—that of election to the cap and gown society. The following is taken from the Orange Daily News concerning Miss Everett:

"Miss Everett, who is a junior, was one of six girls elected to the society from all that attended the university. The fact that members are rarely chosen from outside of the senior class adds all the more to her distinction. Election to the Cap and Gown Society is considered next to the highest honor that can be obtained at Stanford."

"Miss Everett has always been a brilliant scholar. She led her class all through high school and was valedictorian of her graduating class in 1910. Her latest honors are a source of much pleasure to her friends."

SOME POPULAR DELUSIONS

—That shortness of breath and tightness over the chest is merely indigestion or biliousness. That blurred vision in the morning and ringing in the ears at night is still more biliousness or indigestion.

Yet these symptoms are the initial warnings of grave heart and kidney troubles.

You can have these danger signals thoroughly diagnosed and appraised at the Vito-Nuevo Medicine Co. offices, 4 and 5, Central Bldg.

Drive Sick Headaches Away

Sick headaches, sour, gassy stomach, indigestion, biliousness disappear quickly after you take Dr. King's New Life Pills. They purify the blood and put new life and vigor in the system. Try them and you will be well satisfied. Every pill helps; every box guarantees. Price 50c. Recommended by all druggists—Advertisement.

Makes Hard Work Easy!

DUSTING, cleaning and polishing hardwood floors is hard, back-breaking work. An almost never ending task and seldom satisfactory the old way. But it is easy, quick and satisfactory the new way—using the O-Cedar Polish Mop. With it you can spend a few minutes doing what it now takes you almost half a day. You simply mop the O-Cedar Polish Mop over the floor and every particle of dust and dirt is taken up and held. The floor is given a hard, durable, lasting polish and finish.

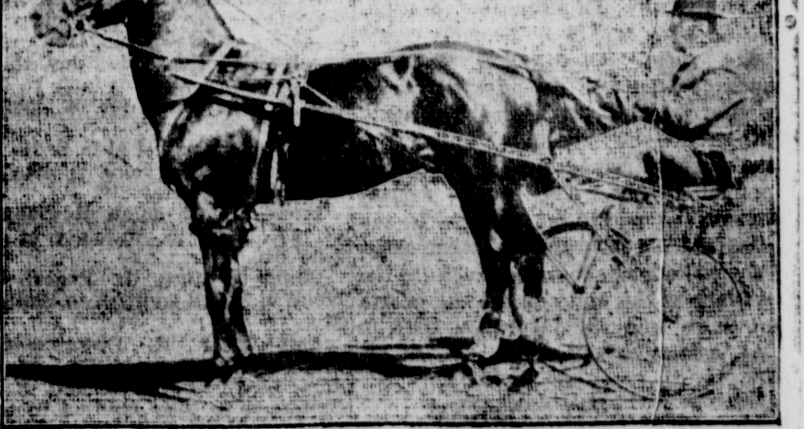

It is also used for dusting and cleaning the tops of high furniture, between the boards of the stairs and in so many other places that you can get in the far corner smart the best, beneath the radiator and other hard-to-get places.

It costs less than a nickel. Don't put up with the old-fashioned hard way when you can get an O-Cedar Polish Mop for only \$1.50.

Satisfaction Guaranteed or Money Refunded. Try an O-Cedar Polish Mop for two days at our risk. Test it every way for two days and if you are not delighted with it we will promptly return your money.

A "SAFETY DAY" FOR CHILDREN

The New York schools have just held what they called a "Safety Day" in which the perils of civilization to both small and big folks were set forth. The danger of matches, trolley cars, electricity, and other agencies was emphasized.

The heedlessness of child innocence involves the world in constant tragedy. You may spend your hundreds of millions on tuberculosis cures, sanitation, and removal of grade crossings, and then your little one may be carried off by the matches on your parlor mantel.

The blessing of diphtheria antitoxin is a nominal one if the fledgling of your nest is merely saved to be run down by a joy-riding chauffeur.

Children and matches have had a fascinating affinity ever since the days of tinder and flint. A boy feels two sizes nearer a man if he carries a bunch of matches in his pocket. The Indian in him responds to the call of the bonfire. If he lives in a city house, a bonfire indoors looks perfectly good to him.

The ridge-pole of a house, the edge of a cliff or high building, are places that particularly appeal to the young fry. It gives them a sense of power. To really enjoy a morning luncheon, you need to climb with it to the highest haymow in the barn. To the young swimmer there is an exhilaration in swimming over the deep water that would be all gone if he suddenly found he was not over his depth.

All which shows it is dangerous being a father or mother. Still, people will do it. But if you want to keep the nest full, you must look after the nestlings. But they need to get their eyes wide open to modern perils about as early as they can.

SCIENCE AND EXPERIMENT

It is only about twenty-five years since congress passed the Hatch act founding the system of agricultural experiment stations in this country. The annual federal grant to each state is now \$30,000, to which the states themselves have in many cases added. Those less familiar with the work often think of it solely as an attempt to further the interests of the practical farmer. The institutions were founded "to promote scientific investigation and experiment respecting the principles and applications of agricultural science"; but the scope of the work now extends far beyond the boundaries of the farm.

The lessons of this imposing movement in agricultural research and education are manifold. The American experiment stations have demonstrated the solidarity of the different sciences. Their successes have taught the important lesson that no one can foretell what beneficial results may develop from highly specialized researches, and they have fostered a spirit of popular interest in the progress of science quite beyond anything that could have been expected two decades ago, when empiricism still reigned supreme and distrust of the utility of scientific investigation was widespread.

As an illustration of the value of this work, The Journal of the American Medical Association comments on the recent report of the Wisconsin Agricultural Experiment Station, which now has forty or more problems under investigation covering such questions as the effect on nutrition of animals, the methods of ripening cheese, the improvement of market milk and the causes and prevention of animal disease. The quiet modest labors and persistent patience in the field and the laboratory of these untiring workers are doing as much for the welfare of the state as are the efforts of those who shine conspicuously in the legislative halls.

MAN AND MONKEY

The question of the simian ancestry of man has long been the subject of jest. From the zoological point of view it has been a matter of more serious concern as far as the position of man in any scheme of classification is involved. With the advent of modern methods of study applied to blood and the problems of immunity, data of a new sort have been furnished to bear on the real relationship of man to some of his animal competitors. To this evidence of blood relationship have now been added fresh facts derived from the study of nutrition. The long-known contrast between man and the animals, according to The Journal of the American Medical Association, is thus made less striking by the dis-

NEWSPY NEWS FROM NEW YORK

(By Carlton Ten Eyck.)

NEW YORK, April 21.—It is only a matter of days now until Brentwood, dean of all the fire horses in New York, is to retire to private life. With him will vanish nine other steeds—all worn with service and with hoofs battered by the cobbles. For the automobile has made one more stride in Gotham and the order is out that no more horse-drawn apparatus be purchased.

Fire Commissioner Johnson and, more personally, all the firemen at the little engine house in the Bronx where Brentwood stamps, are vowing that to do with Brentwood. His human associates declare he is just as fit as he ever was in his youth, although he has been in the service for a quarter of a century and is somewhere in the thirties. No junk wagon or milk cart for him, they say.

All the horses in the department will not be disposed of at once, by any means. The program is to shift horse-apparatus to outlying stations as a new auto truck is placed in a downtown station. Thus, gradually, all will be worked out by "centrifugal force." It will be at least five years before the last of the faithful four-legged fire fighters is deprived of his profession and turned over to the humdrum marts of trade. Efforts are being made by the firemen and the S.P.C.A. to furnish these pets of the department kind owners and easy births, or in some cases, an entire surcease from toil in some peaceful green pasture.

There are now 1,500 horses in use in the New York fire department. More than 100 motor vehicles have been installed and another 100 have been ordered for this year. The gradual conversion of the department will cost about \$2,500,000. The two principal reasons given for motorizing the department are sufficient alone to outweigh any sentimental consideration. One is the fact that after the initial outlay the ultimate cost of motor fire vehicles is much less than the horse driven apparatus. The other is the decrease in fire loss through the ability of auto-apparatus to reach the scene of a fire in one-half the time it takes the fastest horse team. The best of the famed New York horse teams cannot do better than 15 to 18 miles an hour, and this only for a mile or two. The motor vehicle can scream down the street at forty miles per hour—and keep it up until the gasoline gives out. Breakdowns and tire troubles having been reduced to a minimum, motor vehicles are essential to real fire protection, especially in New York. Another great factor that has made for the exchange is that the average fire-

covert of those intermediate species exhibiting human characteristics in more than one way. The gap has been bridged by the studies on the anthropoid apes which have now furnished to science the reputable evidence for that relationship which the behavior of apes in vaudeville and elsewhere has strongly suggested.

The Bank of Garden Grove to Mrs. Sadie E. Jewel—Releases mortgage 137-237.

horse can stand the terrific grind only seven years. The motor vehicle should last a lifetime.

A dozen or more city-sick little ones of the lower East Side this summer are going to know, some for the first time, the joys of romping through meadow and woodland and where the phrase "keep off the grass" is unknown. The novel scheme of Miss Deming Woodward, an artist, will give the kiddies respite from hard, hot pavements, and evil smelling, choked tenements. Last summer Miss Woodward wanted to paint child nature studies in the Catskills. She took a bright little chap and his sister from Hester street to the heavenly outdoors of the mountains, where, for the first time in their lives they saw something of the world besides a dismal home, skyscrapers, and traffic choked streets, where death sometimes lurks. The experience was as sweet a one and as wonderful to Miss Woodward as it was to the children. This summer she will elaborate her plan.

The artist will conduct an open air art school of the camping type. To provide models she will choose more than a dozen youngsters from the myriad types to be found in the congested tenement district. Only one or two of the youngsters will have to pose at a time, so there will be many hours of healthful outdoors play for these fortunate city kids.

Many of them have never seen a blade of grass except in Central Park or Mulberry square and none has ever fished for minnows in a brook with pin hook and sapling rod. None has ever been crooned to sleep by the night voice harmonies of woodland places.

So enthusiastic is Miss Woodward over her scheme, she has imbued several friends with it, and they will conduct similar sketching schools this summer.

Can you do the Tzeecky? No, it's nothing to eat; it's a dance, the very latest terpsichorean trip, and it was invented in Vienna, noted for waltzes, pretty women and rolls. It is properly named "Tzeecky." No, not "Tzeecky"—"Tzeecky." Its admirers, who number hundreds of American turkey trot fans, also pronounce it "the greatest little old dance ever." The "Tzeecky," or "Tzeecky" as it has been abbreviated on Broadway, the street which will stand for no such abbreviation of itself, was brought over recently by a party of American dancers and singers who had been visiting that city whose gay reputation is continually usurped by Paris—Vienna.

Rachel B. Day to R. E. Ibbotson—Releases mortgage 123-312.

Mary Williams to R. E. Ibbotson et ux—Releases mortgage 92-48.

Emily Lewis to Sarah J. Nordheim—Releases mortgage 122-304.

PAPE'S DIAPEPSIN REGULATES STOMACH

Time It! In Five Minutes Gas, Sourness and Indigestion Is Gone

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, let this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—Advertisement.

MEXICO MAY LOSE SOME OF HER SOUTHERN STATES TO THE NEW REPUBLIC
MEXICO CITY, April 21.—The Imperial publishes a story about an alleged plot to involve the Mexican southern frontier states in a scheme to merge Honduras, Nicaragua and Salvador into one republic. The conspirators, it is asserted, are trying to have Yucatan, Comanche, Chiapas, Tabasco and part of the state of Oaxaca secede from the Mexican republic and join in the movement.

It is said a considerable quantity of arms has been smuggled into Yucatan from British Honduras.

DR. FRIEDMANN'S PATIENTS GAIN FROM NEW CURE

WASHINGTON, April 21.—Hope shines brightly in the hearts of every Washington patient treated by Dr. Friedmann with his new cure during his visit here last week. All the patients are reported as progressing nicely and a marked improvement has been noted in some cases.

One of the visible results of the turtle serum has been that the victims of the white plague sleep better since they were inoculated.

Dr. Christmas, a local physician, who is in charge of the case of Mrs. Elizabeth Fawcett, defended Dr. Friedmann and his methods vigorously yesterday.

500 WOMEN GATHER FOR U.S. FEDERATION OF WOMEN'S CLUBS

WASHINGTON, April 21.—Five hundred women from all parts of the republic this morning attended the opening of the convention of the General Federation of Women's Clubs at the Raleigh hotel.

Mrs. William J. Bryan will speak tomorrow on "The Rural Church As a Social Force."

Honors will be showered upon the visitors by official Washington. The president and Mrs. Wilson will receive the council Thursday afternoon.

The Congressional club will hold a reception Friday afternoon.

The visitors this afternoon will be guests of the district federation.

Wednesday the delegates will visit Mt. Vernon, the home of George Washington.

STEEL TRUST NAMES DIRECTORS TODAY

NEW YORK, April 21.—The election of directors in the United States Steel Corporation today held extraordinary interest as a successor was to be chosen to the late J. Pierpont Morgan. Some financiers believed that the man selected to fill the directorship left vacant by Morgan's death, would be looked upon as having thereby been accorded Morgan's former place as the dominating figure in the "street."

When the election of United States Steel company directors began today, George F. Baker and E. T. Stansbury were most prominently mentioned as possibilities to succeed to the money throne. J. Pierpont Morgan, Jr., also was mentioned. Another item of special interest attached to today's election was whether George W. Perkins, whose term expired today, would retire as has been frequently rumored recently. Directors whose terms expired today are Alfred Clifford, E. C. Converse, James A. Farrell, Elbert H. Gary, J. Pierpont Morgan, J. Pierpont Morgan, Jr., George W. Perkins and Henry Phipps. All these last mentioned were expected to be re-elected.

EX-KING MANUEL TO WED PRINCESS OF HOHENZOLLERN

BERLIN, April 21.—The Lokel Anzeiger announces that a marriage has been arranged by ex-King Manuel of Portugal and Princess Augusta Victoria of Hohenzollern, eldest daughter of Prince William Hohenzollern, head of the non-reigning branch of the German Imperial family. Manuel is now visiting the princess at her father's house, Sigmaringen Castle.

FIRE SWEEP OVER BUSINESS SECTION

Sacramento Visited by \$300,000 Blaze; Hotel Guests Escape in Scanty Attire

SACRAMENTO, April 21.—The lower section of the business district of this city was swept by a disastrous fire originating in the plant of the Knox Lumber company today, causing an estimated loss of \$300,000. Hundreds of guests in the surrounding hotels and lodging houses were forced to flee for their lives in scanty attire. But one person, Martin Shay, was injured. He sustained a broken hip escaping from his lodging house at 4 o'clock in the morning.

The John Breuner furniture warehouse was destroyed, despite the fact that it was built of brick, with metal doors and shutters.

A number of buildings were consumed because of lack of men to fight the flames. The entire police department was on the scene assisting the firemen and aided in the prevention of looting.

JOHN BANNISTER, PIONEER OF LOS ANGELES, PASSES AWAY

LOS ANGELES, April 21.—John A. Bannister, pioneer of Los Angeles, past grand president of the Los Angeles Parlor, Native Sons, died yesterday at his home, 3212 Griffith avenue.

During the forty-four years he lived in Los Angeles he aided materially in its growth.

Mr. Bannister was connected with the Holly-King Company for twenty years. He will be buried Wednesday morning at Calvary Cemetery. Services will take place at the R. L. Garrett undertaking parlors. J. F. Lyon, president of the Native Sons; Eugene W. Biscailuz and A. L. Cron, past presidents, have the funeral arrangements in charge.

Bird Lovers Battling With The Millinery Trust

The destruction of great numbers of native birds which are the natural enemies of insects has at last aroused the law makers. The fight is now being waged in congress by bird lovers, scientists and farmers on the one hand and the millinery interests of New York, Boston and Philadelphia on the other hand.

The point at issue is the passage of a provision in the tariff act which prohibits the importation of "aigrettes" and the plumage of other wild birds into this country, except ostrich plumes and the feathers of domestic fowls. The ways and means committee has reported favorably on this section of the tariff act, but the wholesale milliners have combined and are using every effort to defeat it.

The trade in plumage of native birds is now illegal in some states, but not in others. As long as the government permits the importation of goods which are contraband in certain states, it is practically impossible to prevent the use and sale in other states.

"If our school children, teachers and bird lovers will write immediately to their senators and congressmen asking for their assistance in the passage of this measure, we can at once stroke accomplish one of the greatest steps in wild bird protection that has

ever been taken. We can save untold numbers of our song, insectivorous and plume birds from one end of the nation to the other," said Mr. T. Gilbert Pearson, secretary of the National Association of Audubon Societies.

"The demand for plumage of wild birds for millinery purposes during the past twenty-five years has grown to enormous proportions. In an effort to supply the markets, our woods, fields and sea coasts have been combed systematically by plume hunters to get bird wings and breasts to use in the millinery trade. Many varieties of birds are in the best plumage during the breeding season and they are killed at this time and the young are left in the nest to die of starvation.

"The investigations of the Biological Survey of the department of agriculture shows that the greater number of our wild birds are of benefit in protecting crops," continued Mr. Pearson. "This fight is clear-cut and we believe the farmers, fruit growers and others throughout the country will raise their voices against the millinery trust which seeks to depopulate the bird world."

WEDDING ANNIVERSARY

Mr. and Mrs. George Moesser Reach Fourth Marriage Milestone; Many Guests Dined

A very enjoyable dinner party was given yesterday at the home of Mr. and Mrs. George Moesser on Highland street in celebration of their fourth wedding anniversary. After an elaborate one o'clock chicken dinner the afternoon was pleasantly spent in social conversation, part of which was carried on by means of the sign language as the host and hostess are deaf-mutes, and there were also a number of their deaf-mute friends present. This, however, was no drawback to the pleasure of the occasion.

Those present were Mr. and Mrs. Rose, Mr. and Mrs. Page, Miss Fannie Ould, Mrs. L. E. Ayas, Will Moesser, Mr. Rose and Mrs. Wernstaff of Los Angeles; Mr. and Mrs. W. L. Duggan, Mr. and Mrs. N. A. Moesser, Mr. and Mrs. Eden, Mr. and Mrs. Fred Ayas, Mr. and Mrs. Ould, Mrs. Ralph Paul, Misses Clara and Dorothy Duggan and Lucile Packard.

—O—
The D. T. S. Club
Though the weather was threatening outside, the guests of Mrs. Howard Vassum of East Depot street, on Friday afternoon, found "April showers make May flowers," for the house was a bower of spring blossoms.

The chief diversion of the afternoon was a guessing contest. "The Wedding of the Flowers" in which Mrs. McArthur and Mrs. Carl Klatt tied for first place. Mrs. Klatt drawing the longest straw, was given the prize, a beautiful May basket, tied with ribbon and filled with flowers. The consolation prize, a tiny market basket filled with flowers, fell to Mrs. Utz.

The refreshments carried out the springtime idea, one of the courses being fruit cocktail served in orange baskets.

Those present besides the regular members of the club were: Mrs. A. J. McArthur, Mrs. Ida King, Mrs. John King and Mrs. Beckwith.

—O—

Dinner Party
Miss Ruth Taylor was hostess on Thursday night to the young ladies who have been with her this season in her millinery establishment. They were her guests at an evening dinner which was prettily appointed and daintily served. Red roses in bouquets were used on the table and in the rooms of the home at 1017 West Third street.

Pretty place cards and tiny individual tapers marked the plates. The guests for whom covers were laid were Mrs. Nina Thorne, Mrs. C. T. Johnson, Miss Bessie Lacy, Miss Reba Ward, Miss Myrtle Reeves, Mrs. Cooper, mother of Miss Taylor, assisted her in entertaining and serving. Cards were played by the company following the pleasant dinner.

—O—
Present Day Club
The paper this evening is to be presented by Miss Janet McFadden on the subject of "Capital Punishment."

From the ample resources of a trained librarian Miss McFadden will bring to the club the latest arguments in favor of the abolition of this ancient barbarism.

It is well known that there are ardent advocates of both sides of the argument within the club, and a lively discussion is in prospect. The meeting will be held at 7:30 at 1218 French street.

—O—
State Officer to Address W. C. T. U.
The W.C.T.U. will meet on Tuesday at 2:30 p.m. at the home of Mrs. R. T. Harris, 401 East Sixth.

Mrs. Celia M. Noll, state corresponding secretary and literature superintendent of the W.C.T.U., and who has charge of Temperance Temple in Los Angeles, will address the meeting. Mrs. Noll will bring samples of literature and each superintendent will be instructed how to use it to the best advantage. All superintendents will please make an effort to be present. Every person interested in reform and temperance work is cordially invited to be present.

An interesting and instructive exhibition of silk worms spinning silk, can be seen in the show window of Reinhaus' Dept. Store.

BALBOA HOUSE JARTY

Young Ladies of Santa Ana Were Week End Guests of Miss Alice Wasser

A merry house party lasting from Friday until Sunday evening was at the Wasser's Rest, Balboa, with Miss Alice Wasser as hostess. All the pleasures of the sea and bayside were at the command of the young ladies who had a genuinely delightful outing.

Yesterday a number of the men friends of the hostess and her visitors were guests at dinner and for the afternoon. The long table was spread invitingly in the big living room where a comfortable fire blazed cheerfully in the fireplace. Covers were laid at the dinner for Misses Hazel Stockslager, Zoe Vanderlip, Alice Wasser, Lena Stafford, Zelma Sturgeon, Marguerite Wallace, Frances Potts, Leta Wells; Messrs. Olin McCord, Chas. Cotant, Walter Stafford, Jack Palmer, John Swanner, Ed Abbott, of Santa Ana; Messrs. Fifer and Archibald of Los Angeles.

The afternoon was spent in canoeing around the bay, watching the motor boat races and the interesting airplane flights.

—O—

Celebrating Third Birthday
Little Harvey Hedstrom's third birthday is being celebrated this afternoon at the Day Nursery. The little fellow has been at the nursery for ten months and all the children as well as Matron Jones are greatly interested in him.

A "wonder ball," on which are fastened all the gifts for the small boy will be the crowning joy of the afternoon. There will be a little birthday feast late this afternoon and games to keep all the youngsters busy.

—O—

Personals

Dr. and Mrs. Karl Loersch and Miss Elizabeth Siedel spent Sunday in Los Angeles yesterday and returning here in their motor were witnesses of the fatal automobile accident to F. Sepulveda near Fullerton. Dr. Loersch aided in relieving the victim of the accident.

Mrs. Hannah Beckwith and Lina Barney of Los Angeles are guests at the home of Mrs. E. D. Cooke on East First street.

Dr. M. M. Menges and wife of Fullerton spent Sunday in Santa Ana with their parents.

Miss Mary Collins spent Saturday and Sunday with the J. E. Burkers of Monrovia.

Mr. Wheaton, who is traveling in the east for the Taylor Bros., has moved from Fort Dodge, Iowa, to Waterloo, Iowa, where he will be for a short time.

Mrs. Ed. Nelson returned from Los Angeles Saturday night after a week's stay in the city during the serious illness of her sister, Miss Evelyn Cutler, who recently underwent a severe hospital operation. Miss Cutler is improving.

The Misses Roberts were down from Los Angeles for an over Sunday visit with their parents, Mr. and Mrs. Roberts, 401 West Seventeenth street.

Pembroke Waugh was a visitor over Sunday in Santa Ana, coming from Los Angeles.

H. V. Scholes, with his wife, son and daughter, Mrs. Hooper, from Topeka, Kansas, are in Santa Ana for a month's visit with relatives who are the A. B. Scholes, Bruce Scholes and J. B. Crites.

J. D. McFarland and wife left yesterday morning for Flagstaff, Ariz., where it was necessary to go for Mr. McFarland's health. They went in their new Ford auto, which they purchased last week.

Harry Harris and Ralph Collins went to the city this afternoon to sign up more riders for the races which will be held at the local track on the 27th. They are also buying more prizes for the races, which promise to be very good.

An interesting and instructive exhibition of silk worms spinning silk, can be seen in the show window of Reinhaus' Dept. Store.

CONTRASTED THEN AND NOW

Farmers' Club Compared Life on Farm in Present Day With That of Fifty Years Ago

Another of the many pleasant meetings that enliven the social record of the Farmers' Club was held last Saturday evening at the home of Mr. and Mrs. M. Nisson on North Main street. The club members always enjoy the meetings at the Nisson home as almost invariably some special feature is provided for the entertainment of the club. On Saturday evening an hour's program of music from the splendid phonograph owned by G. W. Milton, who with his wife was a guest of the club, was highly enjoyed.

The debate on "Does the Farmer of Today Get More Enjoyment Out of Life Than He Did Fifty Years Ago?" was the source of lively discussion. The leader for the affirmative was A. R. May, with A. L. Koepsel initiating the negative side of the question. After they had presented the opening arguments, everybody joined in keeping the controversial ball "a-rolling." The evening was one of liveliness and real social pleasure.

President H. H. Reeves being absent, Mrs. C. F. Bennett, the vice-president, conducted the meeting with dignity and skill. "A. D. Bishop took his wife's place as secretary in his absence in Los Angeles. The next meeting will be held at the Tustin home of Mr. and Mrs. C. F. Bennett and the subject to be discussed will be: "Shall Santa Ana Support a Local Public Market?"

—O—
Attend K. T. Conclave
B. Utley, recorder of the local Masonic commandery, has returned from a week's absence during which he attended the fifty-first annual state convention at Oakland of the Knights Templar of California.

Mr. Utley, who is an ardent Odd Fellow as well as a Mason, is colonel of the Third Regiment, Patriarchs Militant, I.O.O.F., also visited San Luis Obispo Canton, I.O.O.F.

—O—

Cradle Roll Ties Entertained
The children of the Cradle Roll and Light Bearers of the Congregational Church were very happily entertained on Saturday last at the home of Mrs. N. A. Beals, 821 E. street, the little ones assembling at 2:30 o'clock. The mothers accompanied them. Games and the packing of a Christmas box for India kept the children interested. Appropriate refreshments were served.

ADDITIONAL LIST COTTAGE PRAYER MEETING PLACES

An additional list of places for cottage prayer meetings to be held tomorrow night is given below:

J. P. Thompson, 916 East Fourth St., W. H. McCune, leader.

R. R. Smith, 1323 North Broadway, Mrs. J. A. Patton, leader.

A. N. Cox, 151 North Main St., L. A. Galloway, leader.

J. A. Nelson, 709 G street, D. C. McGee, leader.

S. H. Finley, 1633 East Fourth St., Geo. R. Smith, leader.

IN NEW HOUSE IN FEW DAYS

The packing house of the Central Lemon Growers' Association at Villa Park is well under way. The management expects to be able to house the next pick in the new house. The house is 100x140 feet and will be modern in every respect. The manager, Mr. C. W. Eastin, is very anxious to get into the new building, as the present temporary quarters in the old walnut house at Orange is being forced to full capacity.

JOPLIN WILL PLANT DASHEEN TUBERS HERE

County Treasurer Joplin has received a small sack of dasheen tubers, which he will plant with the hope of showing that the vegetable can be grown profitably here. He received the tubers from the government station at Brooksville, Fla. The plant is said to be a great producer. The tubers are something like potatoes, but taste more like pineapples. Eight pounds to the plant is not unusual. The leaves grow big like elephant ear plants, and make a delicious salad. The dasheen is a tropical vegetable. Joplin knows of no reason why it should not do well here.

FLOWERS FOR CHAMBER OF COMMERCE EXHIBIT ROOMS

Among those who brought beautiful bouquets of flowers, which lent charm and attractiveness to the exhibit rooms of the Chamber of Commerce were Mrs. W. J. Wells, roses, and D. W. Hicks, roses and lilies.

GREAT ADVANCE OF THE NEGRO DURING LAST FIFTY YEARS

NEW YORK, April 21.—Booker T. Washington, president of Tuskegee Institute, Alabama, and negro leader, speaking at the West Side Y. M. C. A., on the negro problem in the South, said among other things that his race owns 20,000,000 acres of land in this country and 600,000 houses; has 57 banking institutions, more than ten thousand stores and 290 drug stores. Sixty-eight per cent of the negroes of today read and write, against three per cent fifty years ago, he said.

BOMB THROWN INTO HOME OF THE POCCASSETT CLUB

NEW YORK, April 21.—A bomb was hurled into the Poccassett club at 208 East One Hundred and Sixteenth street early yesterday morning. The club is the political organization of the district of which former Sheriff Nicholas Hayes is the Tammany leader. Philip Berger, the steward of the club, was slightly injured.

The exploding bomb wrecked the basement and the first floor of the Poccassett club, which is a Tammany organization, early today. This was the second attempt made within two years to destroy the building. A member of the club on the fourth floor was thrown from his feet and the stained windows in Grace Episcopal church nearby were ruined.

SURE PNEUMONIA CURE SAID TO BE DISCOVERED

NEW YORK, April 21.—A serum for the cure of pneumonia has been developed at the Rockefeller Research Institute in this city and will soon be given to the public, according to the announcement. The discovery of the serum is credited to Dr. Clarence McWilliams, one of the medical experts attached to the institute.

Many tests lasting over a considerable portion of time have been established that it is a certain cure for all forms of pneumonia, according to the announcement. The discovery is considered to be one of the most important ever made in the treatment of disease.

FOR RENT—Four unfurnished rooms, also a barn, \$12.00 per month. 511 Fruit street.

POMONA WILL SHIP 300 CARS OF GOOD ORANGES

POMONA, April 21.—According to statements made by Exchange officials, the Pomona Fruit Growers' Exchange will ship more than three hundred carloads of good oranges this season.

At present the fruit is leaving the Park avenue packing house of the Exchange at the rate of from twenty-five to thirty cars a week and prices are high, with the market conditions holding firm.

From present indications the supply of good fruit will hold out for three or four weeks yet. Reports received from other packing houses in the valley are most encouraging and show substantial shipments, in every case running much larger than was at first anticipated.

The Park avenue packing house is now operating two fruit separators in sorting the good from the damaged oranges.

POPULAR CLAMOR IN JAPAN STARTED BY POLITICIANS

TOKIO, April 21.—The American-Japanese society will meet tonight to consider Japanese agitation against the anti-alien land bill, pending in California, and will attempt to reach a plan to stop demagogic clamor, extremists' demand for war was temporarily halted today. It is believed here that popular war agitation is the work of politicians opposed to the present ministry, seeking to embarrass the Japanese government.

CRUISER TO VISIT BEACH TOWNS LAST APRIL WEEK

WASHINGTON, April 21.—Secretary of the Navy Daniels has notified Representative Stephens that either the armored cruiser Colorado or the Maryland would visit Long Beach, San Pedro, Ocean Park and Santa Monica during the last week of April. The cruise has been ordered in response to requests from the people of the southern ports for more frequent visits from the vessels of the Pacific fleet.

DISSOLUTION HARRIMAN ROADS IS COURT DEMAND

Rheumatic Pains

are quickly relieved by an application of Sloan's Liniment. You don't need to rub—just lay on lightly. It penetrates at once to the seat of the trouble.

Here's Proof

MISS ELSIE MANTHEY, 4229 Talman Ave., Chicago, Ill., writes:—"About two years ago my mother broke down with rheumatism. The doctors didn't do any good. My mother was persuaded to try Sloan's Liniment, and in three weeks was entirely well—and I believe she is cured forever."

Relief From Rheumatism

MISS H. E. LINDELEAF, Gilroy, Calif., writes:—"My mother has used one 50c bottle of Sloan's Liniment, and although she is over 83 years of age, she has obtained great relief from her rheumatism."

Rheumatism Entirely Gone

MISS EVELLETA MYER, of 1215 Wyoming St., Dayton, Ohio, writes:—"My mother was troubled with rheumatism and her friends advised her to get Sloan's Liniment and her rheumatism is entirely gone. At the same time the family was troubled with ring-worms—there were five ring-worms between my sisters and I and Sloan's Liniment cured every one of us in a week's time."

SLOAN'S LINIMENT

is the best remedy for neuralgia, sciatica, lumbago, chest pains, asthma, hay fever, croup, sore throat and sprains.

At all dealers. Price, 25c., 50c., and \$1.00.

Dr. EARL S. SLOAN, BOSTON, MASS.

WHY JESUS DIED FOR SINNERS ALL

We Have All Erred In the Past, Said Pastor Russell.

The Penalty For Sin, According to the Bible, Contradicts Our Creeds—The Bible Theory Reasonable—A Ransom-Price For Sinners Was Necessary Under the Penalty—How It Could Have Been Different, Had God Pleased—How Jesus Suffered the Penalty of the Sinner—He Redeemed Not Only the Church but Also the World—How All For Whom He Died Must Ultimately Be Profited—Divine Justice, as Well as Divine Love, Involved—The Glorious Outcome.

PASTOR RUSSELL

Brooklyn, N. Y., April 20.—Pastor Russell's topic in the Brooklyn Academy of Music today was, "The Necessity for Jesus' Death." His text was: "In due time Christ died for the ungodly."—Romans 5:8.

The speaker declared that while the Bible everywhere emphasizes the importance of Jesus' death, yet Christians today seem to be perplexed upon the subject. Some claim that neither His life nor His death was different from that of other men. Others claim that Jesus came into the world to show mankind how to live and die for a good cause. Others bewildered declare that they see no relationship between Jesus' death and what they have been taught is the penalty for sin; viz., eternal torment.

In general, said the Pastor, there is confusion upon the subject, and only those who get the proper focus on the question of why Christ died can be mentally at rest, and enter sympathetically into the great Plan of God, of which the death of Jesus for human redemption is a part.

The Pastor protested against the too common practice of accepting a portion of the Bible and rejecting the remainder. He declared that any man wise enough to criticize the inspired Word should be accepted as an inspired authority, capable of writing a better statement of the Divine Plan. He believes that the Holy Scriptures, as St. Paul declares, were written aforetime by holy men for the admonition of the Church, because God wishes His people to understand His arrangements. We should hold fast "the faith once delivered to the saints," and not allow the wisdom of men to make the Word of God of none effect. He reminded his hearers that Jesus reproved the Pharisees for neglecting the Word of God and preferring the traditions of men.

Our English Bible, said he, does not profess to be the Word of God, but merely a translation of it. If therefore we find mistranslations which misrepresent the original Scriptures, we should correct these, and admit that the translations are not inspired.

Jesus Died to Meet Man's Penalty. Orthodox creeds do not dispute that there is a penalty against mankind. These creeds agree that Adam, father of humanity, was created perfect. In the moral image of his Maker; but that he sinned and came under a penalty because of that sin. All mankind, having inherited life from him, share his condemnation to death. God, having sentenced man to death, cannot consistently deal with the sinner. Hence He arranged that Jesus should recover Adam and his posterity from that condemnation—in order that they might have opportunity to return to harmony with Him, and thus to everlasting life.

This, said the Pastor, is clearly set forth in both Old and New Testaments. If we could forget our creeds and the false theories which they inculcate, these Scriptures would guide us without difficulty. Christendom is handicapped by creeds of the Dark Ages, which confuse us. For instance, these creeds teach that God's curse against mankind is eternal torment.

"The Wages of Sin is Death." Most emphatically the Bible declares the wages of sin to be death—not torment. Lost any should think that only the body dies, but that the soul continues to live, the Scriptures say, "The soul that sins shall die." "God is able to destroy both soul and body in Gehenna"—the Second Death. The penalty against Adam, "Dying, thou shalt die," signifies the death of his soul—his entire being. Under that sentence Adam and his race, unless redeemed, would have no future life.

But God from the very beginning purposed to redeem man from this death sentence. He purposed to send forth His Son to pay man's redemption price—to die for man. Christ's redemptive work would restore man's soul from the power of the tomb by a resurrection from the dead. St. Paul expresses this matter in few words, saying, "As by man came death [not eternal torment], by man came also the resurrection of the dead. For as all in Adam die, even so shall all in Christ be made alive. But every man in his own order."

The favors which God has promised to man through Christ will come in due season. They will make earth a Paradise again, with nothing to hurt or destroy. All mankind will then be privileged to return, if willing, to the image of God, lost by Adam, but redeemed by Christ.

NOTICE OF CLOSING

—Horseshoeing, blacksmithing and wagon repair shops will close Saturday noon, May 3, and thereafter because of the heat of the season. Customers are asked to be prepared, because there will be no shops open. Per blacksmiths' agreement.

Your Child's Future

A SAVINGS ACCOUNT opened when your children are young will provide for their education and give them a start in life.

You can open such an account in this bank as low as one dollar and it will earn 4 per cent. interest, compounded semi-annually.

If on EACH BIRTHDAY of the child, a little is deposited, by the time the youngster is able to appreciate such a kindness, that money, with interest, will amount to a considerable sum. This bank offers the maximum of security.

"Always Air"

ALWAYS AIR is a fluid compound, a small quantity of which, when placed in the inner tube of a pneumatic tire will instantly, automatically and permanently stop all punctures from the smallest to the size of a 20-penny spike.

IT IS NOT A TIRE FILLER

It is not only inexpensive but adds 50 per cent. to the service of tires. It will not injure rubber. It is not affected in its operation by heat or cold. It will not harden, gum, dry up or deteriorate. It will not stick the inner tube to the casing. It cannot come into contact with the casing. It can be changed from one tube to another. It will last for years. It adds practically no weight to the tire (only about three pounds to the largest tire.) It fills only a small portion of the inner tube, and the pneumatic quality of the tire is retained.

After picking up a nail in the road, you will always run at least a block and generally a much longer distance on a flat tire. This shortens the life of the casing at least 50 per cent, sometimes ruins it immediately. After having tires treated with our fluid you may remove nails at once or never remove them, and in either case there is no leakage of air.

THINK THAT IT IS FAR TOO RADICAL

EUCCHARISTIC CONGRESS AT MALTA

A Dozen or More Will Ask State Senator Not to Support the Measure

3000 People From Over World To Be Presided Over by Cardinal Serrata, Papal Delegate

A number of members of the Orange County Fish and Game Protective Association do not agree with W. L. Grubb, president of the association, in his opinion that the bill providing that no preserve shall be maintained for hunting unless the public is admitted to the preserves, should pass. Grubb wired Senator Anderson asking that he support the measure.

Tonight a wire will be sent to the state senator with twelve or fifteen signatures as follows: "The action taken by our County Fish and Game Association relative to Assembly Bill No. 2633, as wired by our president and secretary, is not the wish of a majority of our membership. At a recent meeting of the association that measure was discussed and voted down, and most of our organization is unalterably opposed to its adoption."

Grubb's position is that the measure, if passed, would cause the gun clubs to quit maintaining duck ponds by the use of artesian wells. Thus an advantage would be worked toward the conservation of the water supply. Those who oppose the measure here take the position that the proposal is absolutely confiscatory and unfair, and that the use of artesian water will be regulated under the water commission plan.

Coughs and Consumption

Coughs and colds, neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown, of Muscadine, Ala., writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery, she would not be living today." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by all druggists.—Advertisement.

ROME, April 21.—Cardinal Ferrata, papal legate to the twenty-fourth international Eucharistic congress of the Catholic church, sailed today from Syracuse, on the southern coast of Sicily, for the historic island of Malta where the congress will formally open tomorrow. The Cardinal sailed on a British man-of-war, which had been placed at his disposal by the English government, to whom the island of Malta belongs. With His Eminence, on board, was also his personal suite, thirty of the leading archbishops and bishops of Italy, a score of prominent Vatican prelates and several hundred pilgrims.

Simultaneously with the sailing of the war vessel, three ordinary steamships also sailed having on board nearly 2,000 other pilgrims. Still other steamers will sail tomorrow while two immense pilgrimages, one from America and one from England, will arrive in special steamships direct from New York and London. All in all, the formal opening of the congress tomorrow is expected to be made in the presence of not less than 3,000 pilgrims from all parts of the world, probably the greatest number of foreigners that have been on the little island of Malta since the Middle Ages.

The congress, which will last until next Monday, will be the fourth in the series which Pope Pius inaugurated several years ago. The first of these was held at Montreal, Canada, to which His Holiness sent as the papal delegate, Cardinal Vannutelli, one of the most distinguished members of the Sacred College. At the second of the series held at Madrid, the king of Spain took a prominent part, while last year's congress at Vienna was personally participated in by every member of the royal family, from Emperor Franz Josef down, and the papal legate, Cardinal Van Rossum, was lodged in the royal palace.

To the congress which begins tomorrow at Malta a special note of interest of an entirely different character has been added. This is due to the fact that the island has been given serious consideration as a possible solution for the Vatican Quirinal question. Several years ago when relations at Rome became seriously strained, the English government was even approached on the subject of turning over the island to the pope as the future seat of the Vatican and as an independent temporal kingdom under the sovereignty of the pope. While the matter was dropped at that time, it has been revived the past year and it is freely admitted in Vatican circles that Pope Pius may have had such a solution in mind when the rather out-of-the-way place was selected by him for this year's congress.

Although Cardinal Ferrata will arrive at Malta late this afternoon, he will not go ashore until tomorrow. He will first be met on board the man-of-war by the dignitaries of the island headed by Auxiliary Bishop of Malta Monsignor Portelli, on behalf of the church, and Sir Joseph Carbone, on behalf of the English government. When the landing is finally made the entire garrison of the island will line the avenue from the wharf to the episcopal palace, and through this double line of troops His Eminence will pass. For Malta late this afternoon, the government has placed at the disposal of the church the entire governmental and military machinery of the island and by those at Rome who believe Pope Pius still entertains the idea of finding in Malta a solution of the Vatican Quirinal question this attitude of the English government is considered most favorable. The program considered most favorable. The program for the congress provides for elaborate functions throughout the entire week, culminating next Monday in a pilgrimage to the Grotto of Saint Paul, one of the most sacred shrines on the island. Following the close of the congress, nearly all of the pilgrims, and especially the Americans and English, will come to Rome where they will be received in audience by the pope.

IN THE JUSTICE COURT

PECK OF TROUBLE FOR THE POOLROOM

Six of Its Patrons Charged
With Gambling; Proprietor
Is Arrested

A Westminster poolroom has a lot of things to answer for. Luis Savala has been running it and has been breaking the law that says poolrooms must close at 10 o'clock in this county outside incorporated cities. Last night at 1 o'clock Constable Clark of Westminster saw the place open, and telephoned Under Sheriff Law, who arrived in half an hour. By that time the front part of the poolroom was closed but six men were engaged in a game of cards in a rear room. The six men arrested for gambling are I. Chacon, Leandro Soto, Roman Ramirez, Manuel Gomez, P. Gutierrez and Antonio Mosqueda. Their trial is set for May 13. Savala's is set for April 29.

Miscellaneous Charges
Frank A. Bell, formerly a mill-hand of Santa Ana, now employed in Los Angeles, was arrested on East Fourth street last night by J. A. Preston after a charge of misconduct was reported to Preston by two little girls. Bell's trial was set for May 6 and his bond was put at \$300.

The Day at Talbert
Luis Torres was stabbed in the stomach and shoulder at Talbert yesterday by Pilagio Espinosa, who escaped. Torres will probably recover.

Insanity Charged
John Kelly, formerly a nightwatchman at the walnut packinghouse, has been charged with insanity. He has taken an insane notion that Dr. Wehrly, who is attending Kelly's son at the Santa Ana Hospital, desires to poison his son.

Back From El Centro
Sheriff Ruddock and his wife returned last night from El Centro, having in charge the two boys and girls who are charged with stealing an automobile from O. L. Baldwin, who lives west of Fullerton near the county line. The four are Percy Woolsey and his sister Fern, Kenneth Morse and Selma Simmons. They say they did not intend to steal the machine, but after they got away were afraid to return it.

Charge Serious
Miguel Deaula, wanted in Riverside on a serious charge, was arrested at San Juan Capistrano yesterday by Under Sheriff Law and Constable Heard. The alleged victim of the offense is a step-daughter of the accused man.

Sentence Suspended
Justice Cox suspended sentence for six months after hearing the evidence against Albert Cummings, charged with battery. His grandmother said he shoved her down and caused her to burn her face with hot tea, the youth's mother and the youth himself said he did not strike her.

AT THE COURTHOUSE

TAKES HIS FIRST PAPERS WITH CLERK

John Boer, native of Italy, aged 35, of Talbert, today took out his first naturalization papers. He came to this country in 1904. He is a farmer by occupation.

Estate Appraised
J. N. Anderson, G. W. Moore and W. J. Bentley have reported the estate of Henry L. Worthy to be valued at \$6238.98.

Ask Guardianship
Walter T. Tate has petitioned to be appointed guardian of the estate of Myron W. and Thomas A. Tate, minors, that they may receive \$1000 from a policy given by the Modern Woodmen of America upon the life of their father, Magnus Tate.

Marriage License
Jose de Garcia Oliveras, 60, and Telipia Avila, 30, both of San Juan Capistrano.

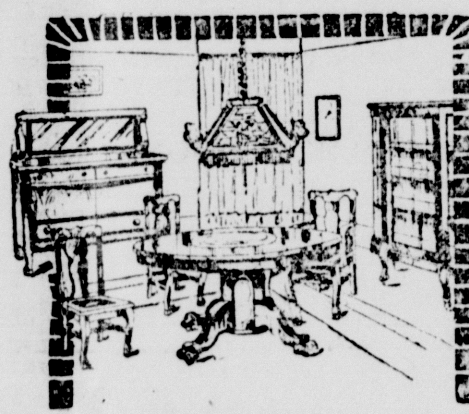

Why Worry?
We hear that Paris dressmakers say dresses will be higher from the bottom and lower from the top. Any-way, they can't very well be shorter around.—Chicago Inter Ocean.

Special Sale of Furniture

This week we are making liberal discounts on everything throughout our stock of fresh New Furniture and Floor coverings.

Every Item Here Is a Big Value

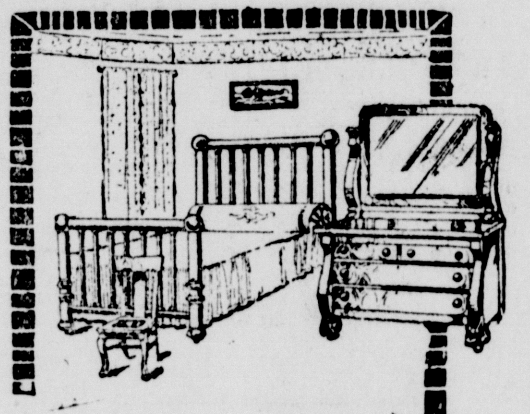

Dining Room Furniture

We show a very complete assortment of dining room furniture of all kinds.

MENTAL DEFICIENT CONFESSES DOING TRIPLE MURDER

ELGIN, Ill., April 21.—Herman Coppes, whose mentality is so low that at 16 years of age he has been only

able to advance to the fourth grade in school, confessed yesterday that he was the slayer of Mrs. Manny Sleep and her two small children, whose bodies were found Saturday in a cistern under the kitchen of the Sleep farmhouse, near here. Coppes says the killing resulted from Mrs. Sleep

saying she "would see about it" when he had refused, in ill humor, to do one of his accustomed chores after school. "Have they expensive suites at the hotel where you stopped?" "No, they had some 30-cent candy in the lobby."—Baltimore American.

RITCHIE WOULD FIGHT MURPHY
BOZEMAN, Mont., Apr. 21.—"Ritchie will fight Murphy any old time if the money offered is right," declared Billy Nolan, the light-weight champion's manager, today, following the news of Murphy's victory over Wolgast last Saturday.
